

REMARKS

In response to the Notice to Comply, mailed on January 5, 2009, Applicants submit herewith a revised sequence listing text file, created on January 22, 2009. The revised sequence listing now includes an enumeration of the amino acids.

A computer readable form (CRF) of the sequence listing is being submitted as a text file via the Electronic Filing System – Web (EFS-Web). Applicants are also submitting herewith an amendment to the specification specifically directing entry of the sequence listing into the application. The sequence listing complies with the requirements of 37 C.F.R. §1.821-1.825. The sequence listing submission does not include any new matter that goes beyond the disclosure of the application as filed.

The sequence listing is being submitted within one month from the mailing date of the Notice to Comply. Accordingly, applicants do not believe any fees are due. If any additional fees are due or any overpayment has been made, please charge our deposit account number 08-2461 or credit our deposit account for such sum.

Entry hereof and examination of the application on its merits are respectfully requested.

Respectfully submitted,
